

Final Portfolio Check

Student Name:

Criteria		Max Score	Feedback
General Website Maintenance	1. No random pictures/text (delete stock images that are not relevant)	10	
	2. All web pages/tabs are either used or relevant to your portfolio (i.e. don't have a webpage for the services your company provides if you have neither a company nor a service)	5	
	3. The site has a home page which introduces the portfolio (you don't need to write an essay here, just clean up the home page so if someone visits your site it is clear what the site is)	10	
Portfolio Professionalism	4. Portfolio includes a page with either: a. Resume (you can embed/inscribe your resume or type it out) b. A list of relevant tools/skills	15	
	5. All project pages are updated to include either a finished project or what final resolution was reached at the end of the semester	10	
Recent Project Work	6. There is evidence on your portfolio of your most recent project work up to the STEAM symposium and/or since the last portfolio check	15	
	7. Your project poster is embedded (use the "Scribd Document" command in Weebly) into your portfolio	10	
	8. Portfolio addresses comments/concerns from most recent portfolio check (look at the feedback form I dropped in your student id# folder)	15	
Self-Evaluation	9. Link: https://forms.gle/qbkpjrMtjzgqv9rw5	10
