

Project Poster Rubric

Student Name(s):

Criteria	Score	Feedback
1. The poster includes an effective abstract	10	
2. The poster includes the final results/conclusion , including both pictures of the final product as well as text to reinforce what went well/what was learned	10	
3. The poster mentions future steps to the project	5	
4. Addresses how this is a STEAM project (or if not a STEAM project, then what knowledge was needed for this project)	15	
5. The poster presents the research and planning associated with this project	10	
6. The poster addresses the challenges in creating and re-evaluating the project	15	
7. The poster includes pictures of the work and progress	15	
8. The poster is visually appealing (i.e. includes pictures, not too much text, only one font style is used)	10	
9. 10 for having everyone's name on the poster	10
